

## **Nashua Ethnic Awareness Committee**

The energy of the committee stems from its desire to encourage Nashuans to build a stronger community through a citizen – government partnership that promotes communications among and education about our distinct cultures and races of people. The committee actively seeks timely suggestions from other organizations, as well as encouraging directions and ideas from the individuals on the committee.

### **Goals:**

- Make city institutions more sensitive to the needs of the ethnic groups
- Promote the positive characteristics of ethnic diversity
- Review community problems regarding ethnicity
- Recommend positive approaches and policies to confront any problems
- Create better communications
- Make Nashua a welcoming city for all its residents

### **Committee Functions:**

- As a sounding board for ethnic community problems
- Encourages community understanding and appreciation for ethnic diversity
- Serves as a communication link between ethnic groups

The Nashua Ethnic Community Awareness Committee is **NOT**:

- An authoritative body which tells city officials how to operate
- An investigative body
- A political organization
- A direct service organization
